 x Progress update on each core requiremedinaft of compliance narrative and supporting documentation complete.

Section &Student Achievementarrod Rossi

x This committee is responsible for reporting on learning goals and outcomes for educational programs and for general education. Sample number of degree programs from each college for student learning outcomesave been reviewed ame for administrative and student support services.

Section 9Education Program Structure and Contemterim Dean Je Nordgren & Graduate Dean William Harn

- x General education is an integral component of undergraduate degree program through which students encounter the basic content and methodology of the principle area of knowledge.

 Undergraduate and graduate degrees dep advanced expertise in an integrated understanding of one or more academic disciplines or concentrations.
- x Core requirement 28The institution offers one or more degree programs based on at least 60 semester credit hours at the associate level; at least credit hours or the equivalent at the

Section 13Financial and Physical ResourCeraig NestJamie Larson

x Although missions vary among institutions, both a sound financial base and a pattern of financial stability provide the foundation for the accomplishing an institutions mission. Adequate financial resources allow for deliberate considitions of the effective use of the institutional resources to fulfil that mission. Adequate physical resources are essential to the educational environment and include facilities that are safe and appropriate for the scope of the institutions % CE } P CE sepretices.

Section 14Transparency and Institutional Representationneresa HefneBabb

- x 14.1 We are reviewing to make sure that we remain in compliance with the standard.
- x 14.2 Substantive changes are reported in accordance with SCASCOC guidelines.
- x 14.3 The OPAA office is working with Distance Learning to review existing policies and procedures to ensure that they are in compliance with the current SACSCOC standards.
- x 14.4 We are reviewing to make sure that we remain in compliance with the standard.
- x 14.5 Wil need to review current policies published by SACSCOC to make sure we are in compliance with any new policies.

Quality Enhancement Plan. Judith Mann

White paper and executive summalngave been emailed to all committee members.

The white papeWINGS oSuccess at LVMATH Pathways

Looking at the QEP should tie to a missitratement. We have done surveys and forums. We have another forum on Halloween for students to try and get their participation. This QEP address vital LU issues: retention and graduationates. The QEP should reflect the University mission statement, focus on issues important to student learning, documented through institutional data, be developed on broad based input, be effectively evaluated and result in enhanced student learning.

Whywe have selected WINGS as our QEP:

- x National Momentum in HighreEducation
- x State Mandated+B2223
- x Real LU Issue

MATH Pathways prepare students to use mathematical and quantitative reasoning skills in their careers and personal lives; it enabled to make tilinerogress towards completion of a certificate or degree.

CoRequisite courseis an accelerated curriculum model based on core curriculum course scaffolding rather than remedial curriculum or testing. It is important that students
